# GREETINGS

## From the Youth Director

Welcome to the 2019 Central States Conference Youth & Young Adult Summit. I am excited that you have decided to take the time to join us in what promises to be a one of a kind experience.

At this year's Summit we are focusing on worship. Specifically, we will discover what worship is, what God expects from us in worship, the part that worship plays in the salvation story, and our responsibility to worship as time draws to an end.

Not only will we learn about biblical worship, but we will also experience practical training that will allow you to go back to your local church and take an active part in the corporate worship service.

Why worship? Well, for starters we were created to worship and glorify God. This fundamental truth has great implications for every aspect of our lives. Not only were we created to worship, but worship also plays a vital part in the salvation story and process.

So this weekend, try to truly submerge yourself in the experience. Pray and ask God to open your mind to the leading of His Spirit, discernment, and understanding. Take notes, participate in the worship, hang out with and encourage old friends, and definitely make some new ones. Get ready to learn how you can be that "Certain Sound."

Kory P. Douglas  
Youth Director

## Pastor Damian Chandler

Pastor Damian Chandler was born in Toronto Canada and raised on the island of Barbados by his parents Michael and Grace Chandler. His ministry journey started in a small church housed in the basement of his home. With only 9 members, the burden of the ministry fell equally on the shoulders of all, including this 16 year old teen. At night he could hear the prayers of these humble people rising through the vents into his room. That small church made a large deposit into his spiritual hunger and stands as a turning point in his life and a foundation for his call to ministry.

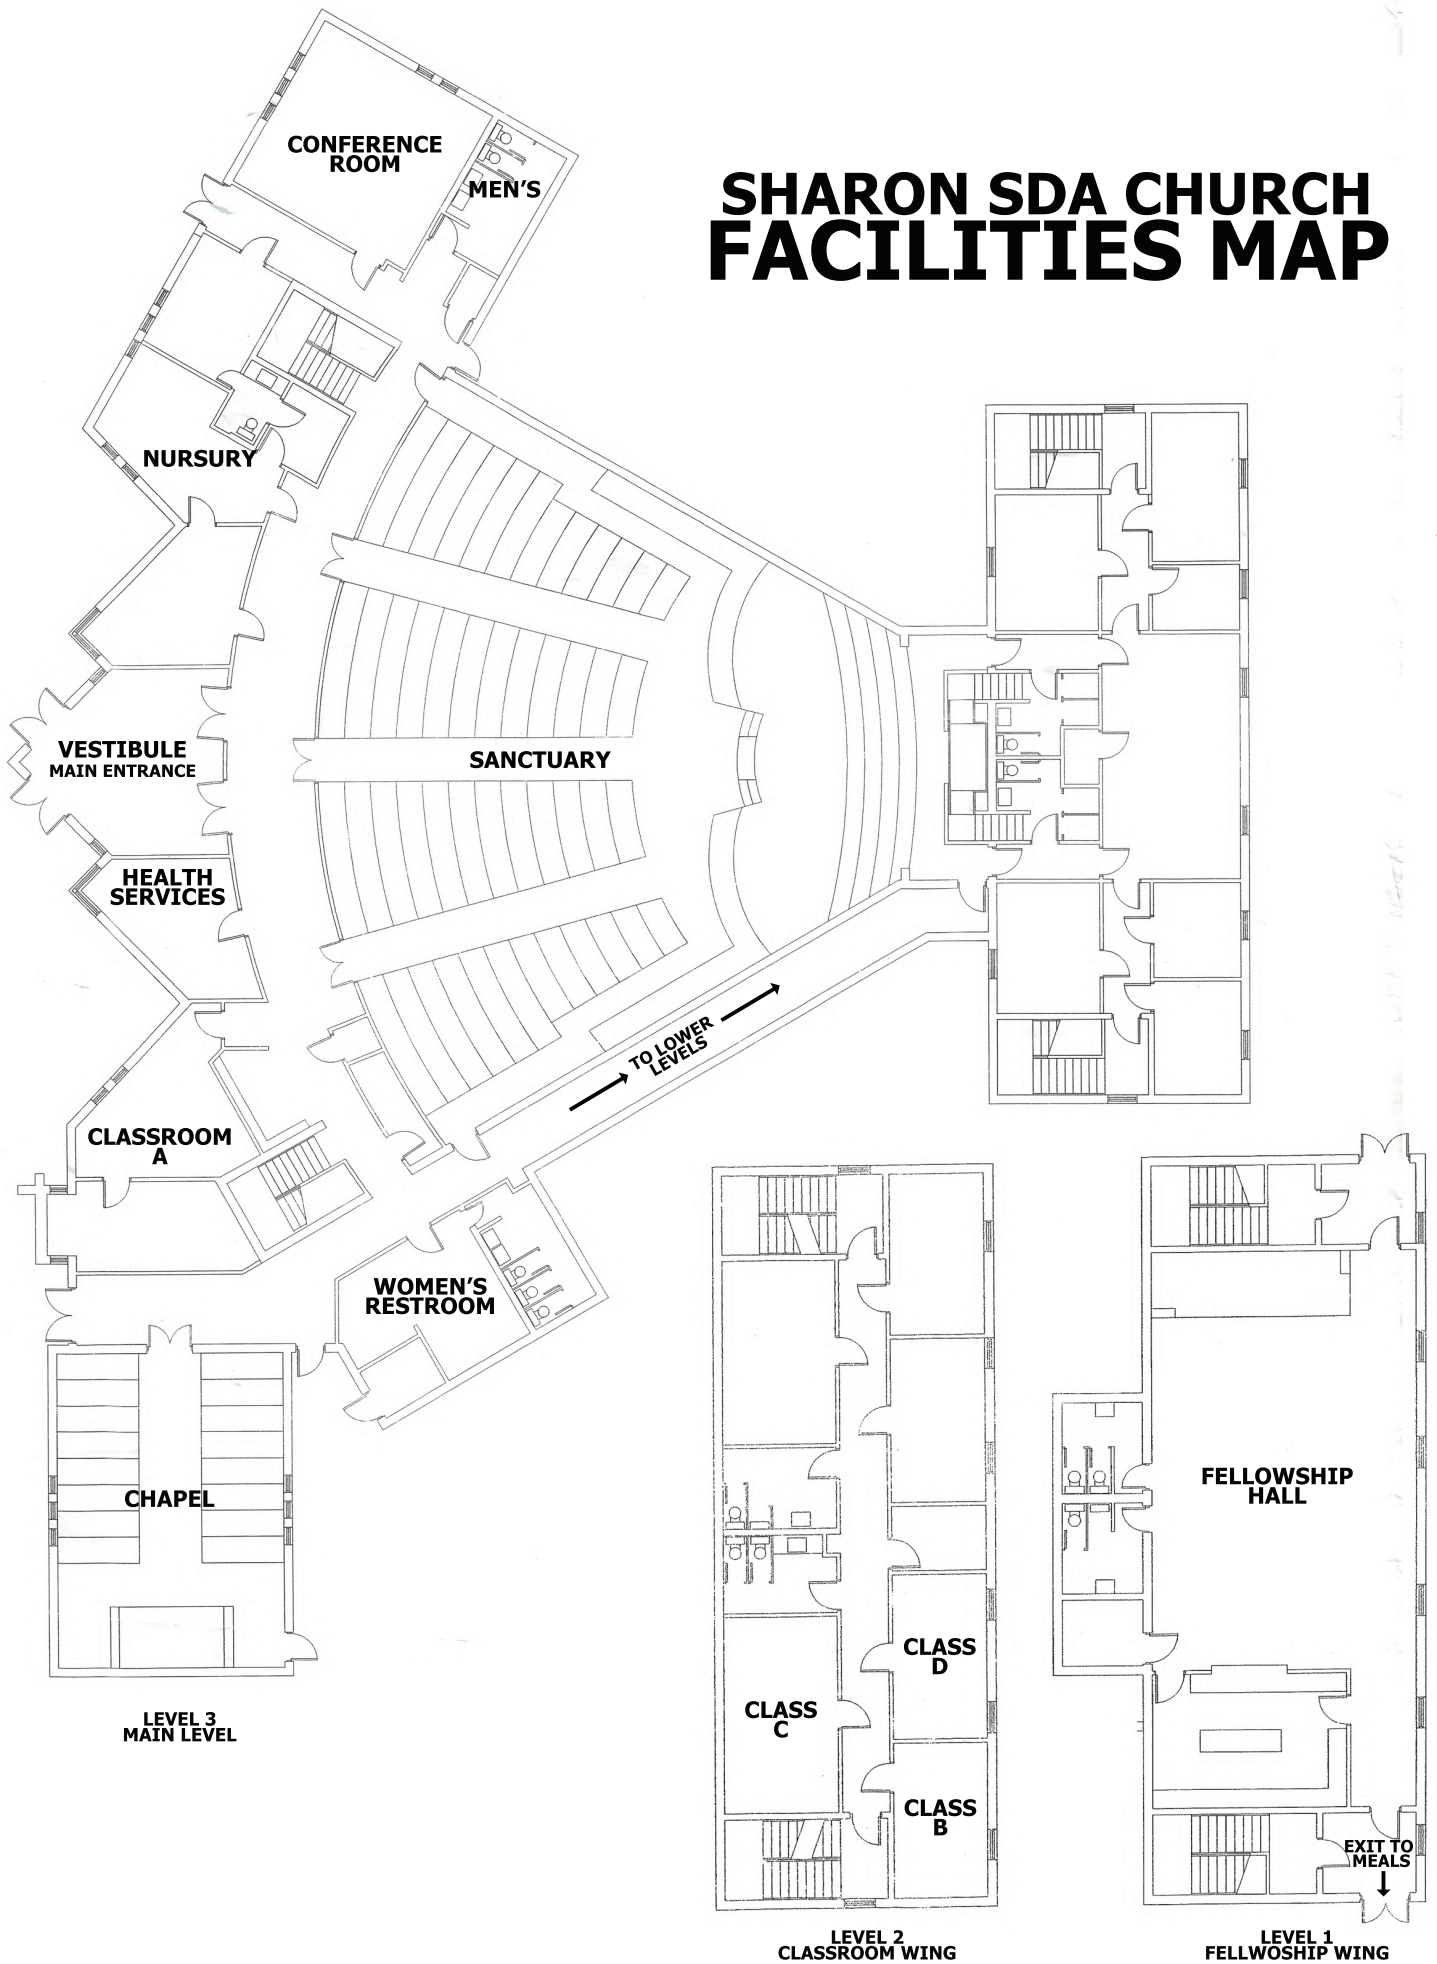

Realizing the need to add education to this passion, he began training for ministry in 1996 at Oakwood College, in Huntsville, AL where he graduated with a Bachelors of Arts in Theology. He later completed a Masters of Divinity degree at the Adventist Theological Seminary of Andrews University.

Pastor Chandler is passionate about ministry, but he is even more passionate about family. After years of dedicated pursuit, God gave him the desire of his heart and a partner in life, his wife Tanzy Chandler. They later expanded their partnership with the addition of their daughter Zoe, son Salem and the most recent addition Levi. Together, they invite you to a life of transformation. A life that allows you to experience real community: communing with God and connecting with people. It is as we experience this kind of community that we become passionate champions for Christ and dare to follow The Lamb wherever He goes. One of Pastor Chandler's undeniable gifts is in the area of worship where God has used him as choir director, composer and worship leader. He served as lead director of both the Voices of Triumph (Huntsville, AL) and Deliverance Mass choirs (Berrien Springs, MI). Songs like "Lord We've Come" have received national acclaim while encouraging worshipers everywhere. He continues to give vision and voice to the importance of intentional worship on a national stage.
